DIGITAL WELLBEING

Next week alongside schools across the country we will be marking Safer Internet Day. This is chance for us to underline important issues which are covered over the course of the year as part of our ongoing curriculum.

The risks posed by the online world are unfortunately very varied and very real. Keeping Children Safe in Education, the key safeguarding document for schools in the UK, splits the risks into areas known as the '4Cs' which are as follows:

Content - Content is anything posted online - it might be words or it could be images and video. Children and young people may see illegal, inappropriate or harmful content when online.

Contact - Contact is about the risk of harm young people may face when interacting with other users online. This includes things like peer-to-peer pressure or seeing inappropriate commercial advertising.

Conduct - Conduct means the way people behave online. Some online behaviour can increase the likelihood, or even cause, harm - for example, online bullying.

Commerce - Commerce is about the risk from things like online gambling, inappropriate advertising, phishing or financial scams.

Protecting our children against all of the above is one of the biggest joint educational and parenting challenges we face so a combined approach is needed. For more information on how to support your child's digital wellbeing at home, please take a look at the [Online Safety page of our website](#). Later this year we will also be hosting a specific parent workshop in school (see below dates section).

PHONICS / EARLY READING PARENT SESSION

We are looking forward to welcoming parents into school for our early reading session next Wednesday from 5.30pm.

This is for all parents from Pre-School to Year 2 and beyond and will include information on how we teach phonics and early reading in school, how the children are assessed in these areas and what you can do to support your child at home.

This session will take place in one of our Year 2 classrooms. Those of you joining us should enter via the main entrance where school staff will be waiting to welcome you.

AUTHOR VISIT

We're not even halfway through the year but next week we'll be hosting our third author event of 2024-25!!

Following visits from M.G.Leonard and Matt Lucas last term, on Monday we'll be having a visit from the fabulous Jenny Mclachlan, author of the Land of Roar series amongst others. During Monday's session, the children will help Jenny hatch a baby dragon from an egg, enrol themselves at Dragon Riders Academy and design their very own dragon!

STAFF BOOKSHELF

Each week we are celebrating the teams love of reading with their own personal Bookshelves - this week we are sharing Miss Kodsy's favourites...

Bravery

Citizenship

Curiosity

Gratitude

Integrity

Kindness

DT EXHIBITION

In addition to the parent sessions we have scheduled for this year (see dates section below), we will also be inviting families into school at the end of the day on Thursday 10th April to showcase the amazing Design Technology (DT) projects the children will have been working on. We will share further details on this nearer the time but wanted you all to have it in the diary!

More information about our DT curriculum (as well as all other subjects) can be found on [our website here](#) (under the 'Curriculum Subjects' drop down).

PLEASE REMEMBER WE ARE AN ALLERGY AWARE SCHOOL - UNDER NO CIRCUMSTANCES SHOULD NUTS, OR ANY PRODUCT CONTAINING NUTS, BE BROUGHT ON TO SCHOOL PREMISES.

KIDS CLUB PATTERNS (INCLUDING PRE-SCHOOL)

Please remember any changes to Kids Club patterns need to be requested by Friday 14th Feb by emailing kidsclub@cheadlehulmeprimary.org.uk
