Welcome!

We are delighted to be welcoming some new teachers to our team in September. Each of them has been teaching for a few years in a range of schools around the country.

Mrs Rafferty is joining us from a school in Didsbury, Mr Talbot from Manchester and Miss Haigh from a school in Cambridge.

Each teacher has already been preparing for their September start and they are looking forward to meeting the children and yourselves soon!

The Year 6 teachers are Miss Blomfield, Mr Gillard and Mr Ives and a separate letter has been sent to parents/carers explaining the teaching arrangements we will have in place for the year group next year. In addition to the above, Mrs Calthorpe, Mrs Romer and Mrs Walters will be teaching across the school alongside the substantive Class Teachers named above.

To support your child in preparing for transition day, Mrs Facer has shared **this social story**. There will be further information regarding transition day, open afternoon and the year ahead shared with families next week.

Sports Coach

As part of our planning for the year ahead we have appointed a sports coach, Miss Dawson, who will work with all children as part of their PE curriculum and at some of the competitions and events we take part in.

This appointment has also enabled us to expand our Kids Club offer and will provide children with the opportunity to participate in a range of sports activities and games throughout the week.

Information / Reminders

Water Bottles and Bottle Tops

As you know, you can purchase water bottles for your child via the School Office and MCAS app. Following feedback from Parent Council, we have been able to obtain just the bottle tops from our supplier so that these can be replaced without wasting a perfectly good plastic bottle.

Not only will these reduce waste, and the negative impact this would have on the environment, it will hopefully help to keep costs (albeit small) down for families.

Sports Day

Thank you to everyone that was able to cheer the children on in this year's Sports Day. The children spent time competing in running races on the tracks at Laurus Cheadle Hulme (LCH) during the morning and then completing a range of activities and challenges during afternoon, all of which were scored based on team success and will be totalled ahead of announcing this year's winners in Monday's achievement assembly. Thank you also to Mr Gillard for arranging the day for all and to the ambassadors from LCH who supported the children by leading the races and challenges whilst keeping score throughout the event.

Dolce Catering Provider

There will be a slight price increase to paid for school lunches from September 24. Pre-School meals will be priced at £2.49 and KS2 meals will be £2.60. Pupils in Reception, Year 1 and Year 2 will continue to have the option of free school meals, subject to government funding agreements remaining in place.

CHPS PTA

Thank You to everyone that attended, supported and volunteered at this year's Summer Fair.

The event was a huge success in terms of bringing our community together to build relationships, have fun, socialise and of course to raise money that contributes towards ensuring that all children benefit from things that the school budget is not always able to stretch to provide.

The event raised a **huge** profit of
£4378.10!

Thank you for being so generous with your time and money to support the fair in whatever way you were able to, the children really appreciate it!

Raffle prizes were drawn over two assemblies (thanks to the MANY donations we received) and a list of winners has been shared with this week's Newsletter. Please arrange to collect your prizes from the Admin office in the event we were unable to send these via Class Teachers today.

Well done and thank you to all involved, but especially to Jenny and Gill who coordinated the event, rallied the army of volunteers and made sure all children had a great time!
