## End of Year Reporting

As we approach the end of the school year, we will soon be sharing your child's end of year report which includes:

- Comments from their Class Teacher(s) that summarise their personal development highlights of the year
- Information about their current attainment in relation to age-related expectations
- A next step in core subjects/areas of learning in the Early Years that they need to consolidate, along with a suggested way of practising this over parts of the summer holiday should you wish to
- A Pupil Profile that has been written by your child, reflecting on the year gone by. These are definitely a highlight and make for an entertaining read! (They also form part of the handover information shared between Class Teachers)

You will be able to access the written report via MCAS from Monday (the school office will confirm once these are available) and pupil profiles will follow as a physical copy during the week.

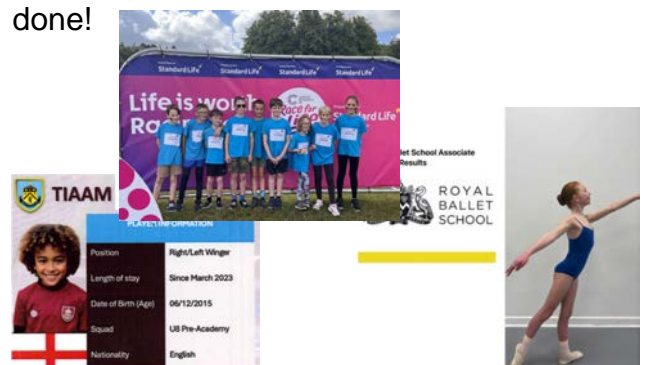

We hope you enjoy sharing your child's highlights and successes with them, they have each worked really hard and the whole team here at school are very proud of them!

Mr Thompson, Head of School

## Pupil Achievements

There have been **many** amazing achievements and successes shared throughout the year that our children and families are rightly very proud of. Here are a few recent highlights:

- A group of Year 3 and Year 5 pupils took part in the muddy race for life in aid of Cancer Research. They ran 5k on a very hot Saturday and raised over £1000 for this great cause. Well done to all involved!
- One of our Year 5 children, Imogen, auditioned for a place on the prestigious Royal Ballet Junior Associate programme and we were delighted to hear that she has been successful. Well done Imogen!
- One of our Year 4 pupils, Frankie, is set to compete in an international Cheerleading competition in Paris later this year. We wish you the best of success!
- One of our Year 3 pupils, Tiaam, was recently signed by Burnley Football Academy in recognition of his ability and skill at the game. A brilliant achievement, well done!

## Instagram

Remember that you can follow each year group's Instagram feed and enjoy seeing what life at Cheadle Hulme Primary School is like for your child/children. Our handles are:

## Instagram Reminder

In addition to requesting to follow year group accounts, please remember to complete [this short form](#) so that teachers can verify follower requests. Teachers can see many of your follower requests currently in the year group but can only accept these once they've seen your details confirmed on the above form.

We don't want you to miss out on some of the great content that's posted throughout the week, but keeping pupils safe by restricting access to a closed group of verified followers is essential.

## Information / Reminders

### Sports Day

Thank you to everyone that was able to cheer the children on in this year's Sports Day. After counting up the scores, Mr Gillard announced the results in Monday's assembly. Well done to all teams, each person contributed brilliantly! The results were:

1st: Altius (370hp)  
2nd: Magnus (365hp)  
3rd: Fortius (345hp)  
4th: Citius (330hp)

### Watch Me Do It

Stockport colleagues shared a link to a resource that MMU have put together to support young people in mastering key skills such as buttoning shirts, tying shoe laces and opening packets of food independently.

They are filmed from a first person viewpoint as research suggests this is most effective. If you are interested, you can access the videos [here](#).

## CHPS PTA

We have had a fantastic year of fundraising and with the Colour Run and Summer Fair alone, we have raised over £6500!

We look forward to sharing our total amount raised for 23-24 before we break up for Summer.

### Date for your diary

PTA AGM Thursday 12th September 3.30pm
