

Weekly Newsletter

VISITING AUTHORS

As part of our major focus on reading for pleasure both in and out of school, we will be continuing this year to arrange termly visits from inspiring authors, and we're delighted to say that the first of these will be happening next week when we welcome the amazing M.G. Leonard to CHPS!

To make these visits possible, we do need to rely on the support of parents and carers and we would be incredibly grateful if you could contribute a small £4 charge per child to help the cost of these visits this year. This is available to pay now through MCAS and on behalf of the children, we thank you in advance for your support.

PARENTS' EVENINGS

We are looking forward to welcoming you all into school for the first Parents' Evenings of the year next week. These meetings are intended to be pastoral in nature and focus on how your child has settled into their new class and school year. They provide an opportunity for you to hear from and spend time with their new Class Teacher but also for the team here to gain more of an insight for yourselves as the people who know the children best!

Hopefully by now most of you have been able to book an appointment. If not, you are still able to do so via MCAS. If you have any problems with this please feel free to contact the school office.

Our next round of Parents' Evenings in January will focus far more on academic progress and will include a discussion on the outcomes of assessments done with all children at the end of the Autumn term.

STAFF BOOKSHELF

We often get requests from parents for book recommendations. As we shared in last weeks newsletter, each year group page has a list of these but to add a few more into the mix, from this week we will be sharing specially compiled bookshelves featuring personal favourites from the team here. We start this week with some brilliant suggestions from our Reading Lead, Mrs Maddison.....
